※Yobitにログインする際の注意点

The image shows a composite screenshot of the Yobit.net website. On the left, an email from 'Yobit Mailer' is displayed, containing an access code for a new IP address. A red arrow points from this email to the 'AUTHORIZATION' window in the center. The authorization window has fields for Email, Password, and two authentication codes (one from Google Authenticator and one from an email inbox). A 'Log in' button is at the bottom. On the right, a chat window is visible. Yellow callout boxes with Japanese text are overlaid on the image to provide instructions.
